

designed by
Manzoni&Tapinassi

fidelio

Fidelio boasts a structure with high-tech lounging systems, including a soft-touch mechanism which activates the recliner function at the press of a button. An innovative sofa enhanced with superb artisanal workmanship - pinched seams revealing Natuzzi Italia's exquisitely processed leather.

features

by Manzoni&Tapinassi

The raised or open-cut stitching reveals the quality of Natuzzi's authentic Italian craftsmanship and extensive experience in working leather.

Relax functions

Sofa with recliner function activated separately on each seat.

Available with Soft-Touch mechanism: a touch activates the recliner function by simultaneously opening the seat, backrest, and footrest. The system is also available with rechargeable battery (to avoid the unpleasant effect of the visible power cables when the sofa is placed in the centre of the room).

The model is also available with the Zero Wall space-saver system which activates the recliner function without having to detach the sofa from the wall behind it.

Padding

The mixture of expanded polyurethane and memory-foam padding guarantees enhanced comfort, durability, and a look that remains unchanged over time.

Coverings

Upholstered in premium Natuzzi leather.

Feet height

11.0 cm | 4.3"

Feet available in metal finishes

- glazed nickel
- black chrome

Here are some
suggested arrangements.

Manzoni & Tapinassi The original expressiveness of architect Maurizio Manzoni and the considerable experience of Professor Roberto Tapinassi merged in 2001 to form one of the most remarkable professional team-ups in Italy. Right from the beginning, the two designers shared a common vision of contemporary living, developing innovative solutions attuned to the Italian tradition geared towards research and cutting-edge solutions.
